Volunteer Program

As Fusion Force continues to grow, we are introducing a Volunteer Program for the 2026–2027 season to help support the many events, performances, competitions, and behind-the-scenes tasks that contribute to a successful year.

Each family will be required to complete **4 volunteer hours** throughout the season or may choose to opt out by paying a **\$200 volunteer fee** at the beginning of the year.

Families who do not complete their required volunteer hours by the end of the season will have the \$200 fee automatically charged to the credit card on file on **June 15, 2027**.

Volunteer opportunities will be posted throughout the season via email and social media and may include recital assistance, backstage help, fundraising events, prop assistance, studio events, and more.

To receive credit for completed volunteer time, families will be required to submit a volunteer tracking JotForm following each completed opportunity.

We are incredibly grateful for the continued support from our Fusion families and look forward to creating even more opportunities for parents and families to be involved in their dancer's journey and the Fusion community.
